Recognition of Prior Learning (RPL)

Recognition of Prior Learning (RPL) enables experienced employees to obtain nationally recognised qualifications by recognising the knowledge, skills and competencies gained through workplace experience.

BEC provides end-to-end RPL services, from candidate screening and portfolio development to assessment support and workplace competency recognition.

Your Benefits of RPL

- Recognises existing workplace knowledge and skills
- Accelerates access to nationally recognised qualifications
- Reduces unnecessary repeat training
- Improves employee motivation and retention
- Supports career progression and succession planning
- Builds organisational capability
- Maximises return on workforce development investment

Suitable for

- Public Sector
- Municipalities
- State-Owned Entities
- Private Organisations
- Industry Professionals
- Experienced Employees
- Unqualified but Competent Workers

Why Choose BEC?

- Experienced RPL Specialists
- QCTO Occupational Qualification Expertise
- Workplace-based Assessment Approach
- Candidate-Centred Support
- Quality-Assured RPL Processes
- National Project Delivery Capability

Strategic Advisory & Consulting Services

Helping organisations transform workforce capability, strengthen governance and achieve measurable business outcomes through practical, evidence-based consulting.

Learning & Workforce Strategy

Align workforce capability, learning strategies and talent development with organisational and business objectives.

Skills Development Facilitation (SDF)

Support for Workplace Skills Plans (WSPs), Annual Training Reports (ATRs), mandatory grants, skills planning and SETA engagement.

QCTO Accreditation & Quality Assurance

End-to-end support for QCTO accreditation, quality management systems (QMS), curriculum alignment and compliance.

Curriculum & Learning Design

Development of occupational curricula, skills programmes, learning materials, facilitator guides, learner guides and assessment resources.

Recognition of Prior Learning (RPL) Systems

Design and implementation of workplace RPL frameworks, policies, assessment systems and candidate support processes.

HR Analytics & Workforce Planning

Data-driven workforce planning, skills gap analysis, succession planning, workforce dashboards and strategic decision-making.

Organisational Development

Organisation design, operating models, performance improvement, change management and organisational effectiveness.

AI Workforce Transformation

Integrate artificial intelligence into learning, HR, workforce planning and organisational capability while supporting responsible AI adoption.

Monitoring, Evaluation & Learning (MEL)

Measure programme effectiveness, organisational impact, ROI and continuous improvement through practical evaluation frameworks.

Governance, ESG & Ethics Advisory

Support organisations with governance, ESG capability, ethics, compliance culture and responsible leadership practices.

Our Delivery Approach

Building capability through practical, flexible and measurable learning solutions. We work closely with organisations to design and deliver learning experiences that improve workplace performance and support organisational objectives.
